Lunch will be around Noon.

MVARC will provide pizza, condiments, water and ice. You and your family are welcome.

If you wish, please bring a side dish or dessert you would like to share.

There will be space for several portable radio stations. If you wish to set up a station you will need a table and chairs for yourself and spectators. There are trees and a limited number of shade structures available, but no power. Please be sure there are no tripping or RF exposure hazards with your equipment!

Volunteer Examiners can be available if you or anyone you know would wish to become a Ham or upgrade an existing license. Please let us know in advance so we can be sure to have enough VEs available.

Radio programming will also be available.

Please join us for a day of fun, good food and "Hamming!"

So that we can plan to have adequate food and items on hand, please respond with the number of persons in your party no later than Wednesday, June 19 to Tim at srteladot@msn.com or Adam at gumball@gumballpro.com

For further information, please contact Tim at 951-674-7221.

Volunteer set-up/takedown help will be very much appreciated.
