

TRAINING CLASS FOR THE AMATEUR RADIO TECHNICIAN LICENSE

The Golden Triangle Amateur Radio Club will be conducting training for the technician license exam starting September 18, 2024.

This training class will be at **no cost**. There is a \$15 fee to take the test at the completion of the course. We recommend purchasing the ARRL Ham Radio License Manual 5th Edition for self-study and to follow along with the class.

Dates:

September 18, September 25, October 9, October 16, October 23, October 30,
November 13, November 20

Exam on November 27

Fusion Christian Church 26770 Ynez Ct. Temecula, CA 92591

6:00PM

ALL ARE WELCOME TO THIS CLASS

- Great introduction to the wonderful hobby of amateur radio
- Meet fellow enthusiasts
- Learn electronics basics and the rules of the airwaves
- Learn how to use repeaters and even Satellite communications
- Earn your full technician license

Please RSVP to Eric Griffith at ehgriffith@yahoo.com to reserve your spot. Space is limited.
